What is a VET Student Loan?

VET Student Loans will commence on 1 January 2017, replacing the current VET FEE-HELP scheme, which ceased on 31 December 2016. VET Student Loans assists eligible students to pay for all or part of their VET tuition fees when studying one or more accredited courses deemed eligible for VET Student Loans. Each eligible course will have loan amounts capped and students will be expected to pay any tuition fee over and above that cap. For more information visit education.gov.au/vet-student-loans

These fees are due to be paid in full or deferred to Vet Student Loans on or prior to each census date.

- ✓ Additional costs such as amenities or materials fees cannot be deferred via the VET Student Loans scheme
- ✓ A VET Student Loan debt is repaid through the tax system once a person reaches the minimum income threshold level of repayment.
- ✓ The VET Student Loan remains a personal debt obligation until it is repaid to the Commonwealth and may affect (by reducing) a person's take-home (after tax) wage or salary until the debt is repaid. It may also affect the borrowing capacity of the person until the debt is repaid to the Commonwealth.
- ✓ Students undertaking a course on a fee for service basis may also be eligible to access VET Student Loans. A 20% loan fee will apply.
- ✓ Students may wish to seek independent financial advice prior to applying for any VET Student Loan.

For more information visit www.studyassist.gov.au

What is my census date?

Census dates for each unit of study are predetermined and the student will not incur VET Student Loan liability until after each census date.

The census date of a unit of study (which forms part of an eligible course of study) is the last day a student can submit their Request for VET Student Loan assistance. Those students who have elected not to access a VET Student Loan, will be required to pay fees in full by this date. If you have not submitted a completed Request for a VET Student Loan on or before the census date, you WILL NOT be entitled to a VET Student Loan for that unit and will therefore be required to pay the fee.

Students will be advised of the census dates that apply to them. Further Information is available from the Student services Manager (James Milner) or our website at marjoriemilner.edu.au.

What happens if I withdraw on or before the census date?

If you correctly withdraw from any unit on or before the census date, you will not incur a Vet Student Loan debt for that unit.

**What happens if I withdraw after the census date?**

If you correctly withdraw after the census date, you will have a debt to the Australian Government. If after the census date, special circumstances occur and you are unable to continue your studies, you can apply to have your VET Student Loan debt removed for that unit(s). Time limits apply for you to have your FEE-HELP balance re-credited due to special circumstances.

Is there anything else I will have to do?

You will be required to demonstrate you are progressing throughout your course. From July 1, 2017, you will be required to log in online and acknowledge that you accept the loan you will receive for the course.

Where can I find more information?

For more information refer to your VET Student Loan Information booklet or the study assist website at studyassist.gov.au or the VET Student Loans Student DET Enquiry line on 1800 020 108 or email VETstudentloans@education.gov.au
